Christmas Message from Kinsale Youth Support Services

Another year has flown by and once again Kinsale Youth Support Service is extremely grateful for all the support we received in 2019 from our community.

We would like for you to know that the funding that is given to KYSS helps you, and the people around you, the person who cannot afford counselling, the family who cannot afford travel to get to appointments, the popular person that feels so isolated, the young people who cannot afford to participate in activities, the parents that are struggling to parent, the children who are made to be adults, the teacher who is to be the support for others, the dad struggling to see his children, the mom who is parenting alone, the person who has been bullied, the person that is the bully, your employee who is struggling to come to work, the employer who is suffering from stress, the list is endless.

We all have mental health but do we all have the support to keep going. We at KYSS firmly believe that Mental Health is a community concern and should be addressed with the support of the community.

The service we provide ranges from Low Cost Counselling, Tea and Chat, Signposting and above all Connectivity. KYSS provides information and connects people to the service they are seeking. We should all be aware in our towns, villages, and neighbourhoods of the need to connect and stay connected.

Once again thank you kindly for all your support and I would like to leave you with 'the power of a cup of tea and a chat is sometimes all the support one needs'. Don't underestimate the value YOU can bring to someone's life by a simple act of kindness.

*We look forward to working with you in 2020.
Wishing you all a very happy and peaceful Christmas.*

that Slimming World feeling!

& **SATURDAYS** 9.00am
at **SÁILE COMMUNITY CENTRE, KINSALE**
Contact Anna 087 4695680

ANNA'S TOP TIPS FOR THE NEW YEAR:

1. Make small and simple swaps

With Slimming World's Food Optimising eating plan, members are encouraged to make small and simple swaps like switching from oil to low-calorie cooking spray and full-fat butter to low-fat spread.

2. Plan, plan, plan

Losing weight is much easier when you get in the habit of planning your meals for the week. Pick meals that you know you'll enjoy, try new dishes to keep things interesting and make a shopping list.

3. Get support

Having a strong support system around you is vital. If you join a Slimming World group your fellow members, who are all on the same journey as you, will celebrate with you and boost your weight loss when you're doing well.

4. Get active

If you currently lead a more sedentary lifestyle, and the thought of exercise makes you sweat, don't let your fears steer you away from getting active. Increase your activity levels gradually until you reach the recommended level of 30 minutes five times a week.

5. Track your progress

Having a visual reminder of your long-term goal is a great way to help you stay on track. Not only is it a great way to see the amazing progress you're making, it's a good way to keep yourself inspired and committed.

Transition Town Kinsale

would like to wish everyone who lives in Kinsale and surrounding areas, and all who visit over this special time of year, a joyful and peaceful Christmas and a sparkling New Year.

Some ideas for a more sustainable Christmas 'Good for us - Good for the planet'

- ※ 'Gift Green' - Buy less, regift, buy local, rethink how you wrap.
- ※ Buy a rooted tree, or a real one over a plastic one.
- ※ Light up for Christmas with LED. (use less energy and save money!)
- ※ Turn down the thermostat if you have one by 1 degree.
- ※ Eat less meat over the season - Enjoy all the great seasonal vegetables on offer.
- ※ Slow down - Walk when you can over the season instead of taking the car.

Remember memories are more precious than things!
